## A word from your pastor....

My beloved Church family,

I am so very, very excited about our church family coming together on February 2, 2020. This is a new chapter in the life of our congregation, one which has the potential to impact us positively for the days ahead. Our worship as a family will revolve around one central premise. We want to honor God, even as we attempt to reach Shelbyville most effectively for the glory of the Lord.

Our new format will honor the full spectrum of worship traditions which have characterized us over recent years. The best of traditional and contemporary worship will flow together in a cohesive manner which will allow us to worship as a unified family. Our choir and praise team will lead in tandem, as the congregation exalts together the name of Jesus. February 2 will be our first Sunday together. Inevitably, this will evolve over time. We will learn together how this will work best in our congregation. However, we are tremendously blessed to have Jason "Brother Bubba" Stewart from the Kentucky Baptist Convention, who will be assisting us in this transitional season.

For several years we have talked about our worship

format and identity as a family of the faithful. Last June, we formed a committee to look at the whole body and attempt to gauge the heart of the congregation. We sponsored a survey and hosted a listening session. The results of those efforts were brought to the congregation last fall. By an overwhelming majority in a business session in October of 2019, we as a church elected to move together into this new season of worship and scheduling.

Beginning February 2, 2020, coffee and donuts will be available in the Fellowship Hall at 8:30 a.m. Bible study will begin at 9:00 a.m. and worship will follow at 10:30 a.m. I am thrilled in anticipation of seeing our family truly come together not simply in a shared building but rather in worship as a united family. I long for our church to live by faith, be known for love, and be a voice of hope.

Come join us as we move forward together as a family. In His grip,

*Bro. Maurice*

## Thank You Church!

We want to thank all of you so very much for the many ways of love, encouragement and kindness shown to our family as our dad went home to be with the Lord! He loved his church family and during the last six weeks mentioned many times how he wanted to get back to church. So many faithful friends and ministers called and checked on him and visited during those days. What a blessing & encouragement it was to him and to us. We are so grateful for all of the prayers, calls, text, cards and concern. We are also grateful to all of the ministers and staff for their care for dad and our family. Once again the bereavement ministry luncheon was such a gift to us following the celebration service. Everything was so personal and special. It is amazing ministry to families! Thank you ever so much! Much love and God's blessing to all. We are grateful!
